

EcoForce Hand Dryer

Generated on 19.09.2017

Detailed description

High speed hand dryer with thirteen compressed air jets.

Features and benefits:

- 21–25 seconds drying time.
- High speed motor is quiet in operation, and has been awarded the Quiet Mark. Suitable for use in buildings where noise travel may be an issue.
- The customizable heater element allows running costs to be kept low, and increases energy efficiency. Heater switch allows the choice of maximized energy efficiency, or for instant heat to be available in colder environments.
- Comes with a built-in ionizer to freshen the air.
- Infrared self-adjusting sensor provides automatic start once hands are detected.
- Compact, and will fit with ease into washrooms with limited space.
- Safety screws included to prevent unwanted access.
- Two year guarantee.

Applications:

Suitable for light use (up to 100 uses per day). For washrooms, pubs, restaurants, offices and schools.

CE marked and produced in accordance with The Low Voltage Directive.

Product guidance - As Standard

Size (h x w x d):

270 x 210 x 182 mm.

Material:

Die-cast aluminium cover, with a V0 flame retardant polycarbonate underside.

Technical characteristics:

- Rated power (adjustable motor): 500–1250 W (0.5–1.25 kW).
- Input voltage: 230–240 V (50–60 Hz).
- Energy per dry: 2.92–7.29 Wh.
- Motor: Universal brush motor.
- Motor speed: 25 000 rpm.
- Air speed: 179 mph (80 m/s).
- Operating sound level: 72 dB.
