

## IFS1056 Prestige Jumbo Toilet Roll Dispenser

The Prestige Jumbo roll dispenser is a high quality product designed to fit standard core sizes for jumbo rolls up to 300 mm diameter (2 ply). The fully stainless steel construction provides extra protection against vandalism and is ideal for heavy traffic washrooms.

### Technical Description

AISI 304 brushed stainless steel dispenser with interchangeable inner core 40mm and 72mm. Wall mounted by fixing through solid stainless steel back plate. Key lockable with front opening to provide easy access for replenishment. Smooth folded edges to eliminate sharp areas. Paper view indicator slit to show when new roll is required.
