

Dryflow Elite Hand Dryer

Generated on 01.11.2017

Detailed description

Low noise, slimline, unobtrusive hand dryer.

Features and benefits:

- 20–25 seconds dry time.
- Quiet performance and wide airflow provide a quiet and thorough dry.
- Heater element is the main source of power.
- Unobtrusive design with reduced overall size, allowing for maximum space in the washroom.
- Safety grill over air outlet prevents foreign objects being pushed inside the dryer.
- Focuses on maximizing mobility space in disabled bathrooms.
- Rounded corners and anti-tamper screws are provided for extra safety.
- Expected lifespan is 17 times longer than the industry standard; motor has been tested up to 17 000 hours before failure, with an extended 6500 hours brush life.
- Five year guarantee.

Applications:

Suitable to withstand extreme traffic from 501–1000 uses per day. For cinemas and theatres, restaurants, colleges, hotels, limited space washrooms, offices, schools, universities, children's attractions, churches, libraries and disabled washrooms.

CE marked.

Product guidance - As Standard

Size (h x w x d):

345 x 350 x 100 mm.
