

Dryflow G-Force Mark II Hand Dryer

Generated on 28.03.2018

Detailed description

Plug in system hand dryer.

Features and benefits:

- 12–23 seconds dry time.
- Quiet performance and wide airflow.
- Heater element adjustment is possible via an internal on/ off switch, to condition the unit to user requirements or to lower energy usage and costs.
- Unit is detachable from the electrical supply, making maintenance quicker and cheaper.
- Highly vandal resistant, with high mechanical strength and flame resistant properties.
- Expected motor life of 3000 hours.
- Three year guarantee.

Applications:

Suitable for mid-traffic areas up to 500 uses per day. For cinemas and theatres, colleges, public attractions, pubs, schools, sports stadiums, swimming pools, airports, factories, hotels, motorway services, offices, retail outlets and supermarkets.

CE marked.
